Thanks to Russ Collins and Home Innovations Corp

On Wednesday, November 7th, SNHHBRA members met at **Home Innovations Corp** in Epping NH for a night of networking and education.

Russ Collins and his staff provided a delicious BBQ style dinner in their expansive showroom and workshop.

Travis Terry of Travis Terry & Co. CPA was our GET SMART speaker discussing tax tips and tax planning, he also took member questions.

We appreciate their generosity and support!

Paul Muckerheide, the owner of **Granite State HydroShield, LLC**, will be celebrating his 3rd year in business at the 2019 NH State Home Show. This is a huge milestone for Paul and his amazing wife Cheryl. Granite State HydroShield is the New Hampshire licensed HydroShield service dealer.

Our innovative surface protection transforms hard to clean surfaces in the home into easy to clean, low maintenance surfaces. Once applied, HydroShield makes the surface act like non-stick cookware. Simply wipe clean with water or an eco-friendly cleaner. HydroShield is the ultimate in surface protection for the home.

Protecting the most vulnerable of surfaces such as countertops, shower surrounds and grout lines, HydroShield gives homeowners peace of mind that not only will their surfaces be easier to clean but are also guaranteed to stay looking new. Every application is tracked and backed here in New Hampshire by a simple to use (local phone call or an email) True Service Warranty.

Through eliminating the need to use harsh toxic cleaners, Granite State HydroShield is creating healthier homes for a greener, sustainable future. According to a February 19, 2018, Fortune Magazine article, "A 20-year longitudinal study conducted by scientists at the University of Bergen in Norway has found that using cleaning products can be as harmful as smoking 20 cigarettes a day." Not only can these cleaning chemicals be harmful to your health, they also adversely affect wildlife as they are poured into our water system, often ending up in rivers and streams.

HydroShield loves to partner with New Hampshire's great builders! We provide an additional way to enhance their business through an improved homeowner client experience and provide a single point of contact for surface protection, customer service, and warranty support.

Come see us at IBS 2019 in Booth SU1863. HydroShield is the Future of Surface Protection!
