SNHHBRA Members Attend OSHA Residential Fall Protection Training

On November 4th several SNHHBRA members attended a 4 hour OSHA fall protection workshop via WebEx.

This program was hosted by GMNHBRA and SNHHBRA in conjunction with NAHB and JSI (Job Site Safety Institute), the material was presented by George Middleton. The value of this class is between \$150.00 - \$200.00, we were pleased to be able to offer it FREE to our NHHBA members thanks to a grant secured by NAHB.

A test was required at the conclusion of the workshop and successful attendees will be provided with an OSHA certificate.

**** Watch for more educational opportunities this season ****

If you have a topic in mind that you'd like to learn more about please contact Lisa at info@snhhbra.com and we'll try to find the information and expert speaker you are looking for!
