Our members and new friends gathered for a much needed night out of networking and fun!

The weather did not lend itself to the outdoor experience we had planned but we had private space that worked out well for us.

As always the food was delicious and the beer

selections interesting!

We were updated on things going on around the state as well as news from our local area.

Be sure to watch for information about our May 12th Networking event.

MEMBER SPOTLIGHT

Adam Roy-ARoy Builders

ARoyBuilders.com

My mission for **ARoy Builders** is to grow a brand known for building quality, custom homes built with integrity and pride. **ARoy Builders** is founded with a passion in building sustainable and well-built homes where quality materials and craftsmanship are second only to the client experience. The preference to focus on custom homes versus spec/move-in ready houses is rooted in the desire to turn the visions and dreams of New Hampshire families into a reality.

With 14 years in the field as a frame-to-finish carpenter, I have extensive experience in remodeling, building additions, executing high-end finish work, operating a custom framing company and project management. I have developed a passion and devotion to building entire homes from the ground up.

I am looking forward to networking and developing long-term, mutually beneficial relationships with fellow members of the NAHB.

Have a Constructive Day!
