An Important Announcement

To Our Valued Southern Members,

I am writing you all today to fill you in on discussions our Board of Directors has been having with regards to the upcoming merger of our local chapter with the **Greater Manchester Nashua** local.

We have been talking through the idea of merging with the Greater Manchester Nashua local to create a more dynamic group. After several discussions with **Christine LaMontagne** the **GMNHBRA President**, our Board has voted to move forward with this option. I have spoken about this possible merger at some of our meetings and the membership in attendance was supportive of this idea as well. This will help us to plan more robust and engaging events that provide a greater member benefit and broader networking opportunities to our membership.

Over the past few years, the **Connecticut Valley Local** and the **Southwestern Local** merged, **Concord Local** merged with **Manchester/Nashua**, and **Seacoast** merged with **Southern**. Although there was a short-term adjustment for those members, it has allowed them to reduce redundancy, streamline operations and overhead thus providing more value to their members.

Our goals and efforts have always been geared towards planning events that better your businesses and we feel that this will allow us to do that.

Please don't hesitate to reach out to me if you have any immediate questions or concerns. I can be reached at **603-742-4282** or lynette.rogers@homescapesofne.com.

Best Regards,

Lynette Rogers
Acting President
