Construction Project Bidders and Volunteers Needed

The members of the New Hampshire Home Builders Association care about those who have sacrificed for us all.

That is why we have established Hammers for Veterans, the first program of our BuildersCare NH Foundation.

New Hampshire veterans make up more than 10% of the state's population. The number of veterans with disabilities is also growing.

The goal of Hammers for Veterans is to provide professional home construction related services to New Hampshire veterans and their families using funds that are raised at the annual Hammers for Veterans Auction, through grants, and with donations of labor and materials as well.

Now we ask you to become part of the growing Hammers for Veterans volunteer list. We are receiving an increasing number of requests from veterans for home repair and retrofit work that they are not able to afford.

Volunteers are needed throughout New Hampshire to visit the homes of eligible veterans for the following:

1. Building industry professionals who will assess the requested construction project in their area and develop a rough scope of work and budget.

2. Building professionals who wish to be on bid lists for work to be done in their area. (Note: While we invite donations of material and labor Hammers for Veterans also raises money to pay for work.)

3. People willing to donate labor (skilled or unskilled) for a project in their area.

MEMBER SPOTLIGHT

Jon Weigler | BHHS Verani Realty

Jon Weigler | BHHS Verani Realty

Jon Weigler has a very busy schedule these days; BHHS Verani Realty has grown exponentially over the past few years and with that growth comes more office space and office fit ups. He is responsible for over 7 offices including the large corporate office building located at Exit 5 in Londonderry, which he built in 2003 to house their growing company.

Land acquisition and the development of lots to supply BHHS Verani Realty builder clients is another important task he handles at the office. His wife of 35 years, Maggie Verani stated that she runs the front office and Jon handles the back of the house, telling us that she couldn't have had the success she currently enjoys without his support and back up, they work as a "team".

Jon is a HUGE Patriots fan and enjoys going to Foxboro regularly. He has taken "tail gating" to a new level of excellence.
