The SNHHBRA annual golf outing was lots of fun this year; we enjoyed a second year at the beautiful Windham Country Club. It was a sunny clear day with what many described as “gale force” winds, good for the black flies and comfort, but definitely a challenge for golf!

This year the Happy Gilmore Putting contest was introduced, testing golfer skills putting

with a hockey stick, an alligator was seen on the green along with the infamous “missing hand”. It was all fun and all for a good cause; Hammer for Veterans!

We also added the “Wheel of Fun” where you could take a spin to win prizes along with raffles items and a LARGE 50/50 cash prize.

We would like to thank our golf committee for doing such a great job this year!

Committee work is lots of fun especially with these volunteers. If you’d like to be part of the committee next year please let Lisa know, we like to have new committee members bring us new and creative ideas!
