We are looking for new energy and ideas to go along with our new location!

You'll want to be part of this committee!

Our Ship Has Sailed!

SNHHBRA members along with Seacoast and others had a great time cruising on the Piscataqua River in Portsmouth on September 7th. The skies were gray, but the temperatures were perfect for our evening excursion. We enjoyed some great food and beverage while taking in the sights of this historic harbor and city skyline as the sun set.

Many NEW connections were made by our passengers and all agreed we should meet with the Seacoast HBRA again next year!

Our new NHHBA president Paul Sullivan was on board the cruise to meet Southern and Seacoast members, as well as Anna Satterfield our field representative at NAHB.

Our thanks go out to Travis and Tom Terry for selling our 50/50 raffle tickets and to Lynette Rogers and Sean Caron for helping with set up and breakdown of the event.

SNHHBRA members are the BEST!
