Thank You Cyr Lumber and Home Center

Another great night at Cyr Lumber and Home Center in Windham!

We would like to thank Kevin Cyr, Bill Norton and their fabulous staff for hosting our November 2nd meeting.

Members gathered in their beautiful Kitchen and Bath showroom to network and to enjoy the delicious Italian food they provided. It was a good opportunity for SNHHBRA members and friends to browse the many kitchen and bath vignettes and product lines. It was good to see so many familiar faces and a few new ones as well!

We would like to thank Carol Phillips our GET SMART speaker who gave us a new perspective on “care givers” in the work place. Carol is a national health and wellness speaker and author of the award winning book “52 Simple Ways to Health”.

NHHBA Member Rebate Program

www.NHHBArebates.com

What would you think if you could get a rebate for your loyalty to many of the nation's leading housing industry Manufacturers? Well, now you can regardless of your volume!

We're happy to introduce the NHHBA Member Rebate Program, a free member benefit, aimed at increasing your bottom line. For the minimal effort of informing us about the products you use, and telling us when you close on a home or project, you'll be putting money back in your pocket.

When you participate in the NHHBA Member Rebate Program, every home you build can earn you rebate checks! Remember, both Builders AND Remodelers qualify for the NHHBA Member Rebate Program. Over 70% of the Builders & Remodelers who participated last year received back in rebates more than they paid in annual dues to the Association!
