**18TH Annual Pinkerton Day
and Mini Trade Show**
Wednesday, April 19th
7:50-10:00 am
Pinkerton Academy
Shepard Auditorium

Our Pinkerton Day is a very special day for CTE students and SNHHBRA members.

The program will include a Mini Trade Show highlighting member businesses and trades, interactive games of skill, followed by a delicious breakfast, awards and celebration of the CTE students.

This year by popular demand, we are bringing back the student “excavator challenge” and we will have SNHHBRA

members set up to meet and counsel second year students who will have their resumes in hand, looking for job shadowing and employment opportunities.. If you’d like to be part of this discussion with CTE students, please let us know. It’s a great opportunity for your business to meet and recruit young talent.

Putting on this program takes planning and funding; if you are able and willing to sponsor or participate we would be most appreciative!

Please [click here](#) to see how you can help!

These students are the future of our industry, let’s show them that we support their career paths!

Contact Lisa to learn more about the event, sponsorship and volunteering!!
