## Do Business With A Member!

## Be A Part Of This Great Tradition

**Support local students who are going into the trades!**

**19TH Annual Pinkerton Day and Mini Trade Show**  
**Wednesday, April 4th**  
**7:50-10:00 am**  
**Pinkerton Academy | Shepard Auditorium**

Our Pinkerton Day is a very special day for CTE students and SNHHBRA members.

Our program will include a Mini Trade Show highlighting member businesses, interactive games of skill, followed by a continental breakfast, awards and a celebration of the CTE students.

Come by to watch and participate in the “Excavator Challenge”. SNHHBRA members will be prepared to meet and chat with second year students who will have their resumes in hand. Many are looking for job shadowing and employment opportunities. If you’d like to be part of this discussion with CTE students, please let us know. It’s a great opportunity for your business to meet and recruit young talent.

**This year’s Keynote Speaker is James Degnan** a Pinkerton alum and sales professional with Andersen Windows and Doors, he will discuss various career paths within the building industry.

This event takes planning and funding, so if you are able and willing to sponsor or participate we would be most appreciative!

We would like to thank our **Committee Members** who are hard at work making this a great event for our building community!

So proud of our SNHHBRA members who escaped from the Vintage Circus Room tonight with 1:45 seconds to spare! this room has a 20% success rate.

Our members broke into teams to tackle the critical thinking and math challenges they faced. Way to go Southern!

Delicious Chinese food and shared stories of the escape room were awesome!

The lifts open at 9 am, and we plan to be on the first chair!
