19TH Annual Pinkerton Day and Mini Trade Show

**Wednesday, April 4th
7:50-10:00 am**

**Pinkerton Academy
Shepard Auditorium**

CTE

Our Pinkerton Day is a very special day for CTE students and SNHHBRA members.

Our program will include a Mini Trade Show highlighting member businesses, interactive games of skill, followed by a continental breakfast, awards and a celebration of the CTE students.

Come by to watch and participate in the “Excavator Challenge”. SNHHBRA members will be prepared to meet and chat with second year students who will have their resumes in hand. Many are looking for job shadowing and employment opportunities. If you’d like to be part of this discussion with CTE students, please let us know. It’s a great opportunity for your business to meet and recruit young talent.

This year’s Keynote Speaker is James Degnan a Pinkerton alum and sales professional with Andersen Windows and Doors, he will discuss various career paths within the building industry.

This event takes planning and funding, so if you are able and willing to sponsor or participate we would be most appreciative!

These students are the future of our industry; let’s show them that we support their career paths.
