Our Annual Golf Tournament

Candia Woods Golf Links
Tuesday, September 1st 2020
7:30 am check in

After many months of uncertainty with Covid 19 we are excited to announce that we have the GREEN LIGHT to get started on planning our annual golf tournament. SNHHBRA golf committee will work closely with the management of Candia Woods Golf Links to bring you a safe and fun day on the course. It may look a little different this year, but we will do our best to make this the usual FUN golf experience our members and guests have come to expect.

If you'd like to join our golf committee please contact us at: info@snhhbra.com. Meetings will be held via ZOOM and will last just under an hour. It's not a big commitment of time but it's a whole lot of fun!

This year more than ever we hope you will consider sponsoring, large or small sponsorships all add up. Our local association like other businesses has had a few lean months with cancellations of events, etc. We would appreciate your support, which will allow us to continue providing education, networking and advocacy to our members.

Sponsor and Player information will be e-mailed to you in the coming weeks.

We look forward to seeing you soon!!

PPP Workshop

Travis Terry & Company, CPA

Travis Terry, CPA

We had a great “virtual” turnout for our PPP loan forgiveness workshop via Zoom on June 16th. For those of you who were unable to attend in person [here is the link to download the powerpoint presentation PDF.](#)

Jeff Morris | Proulx Oil & Propane

February 2020 marked Jeff Morris's 1st anniversary with Proulx Oil & Propane and what a year it has been. New to the industry, it has been a whirlwind of learning, networking, and building a base of business

Jeff Morris

in his role of Sales/Account Manager. Jeff focuses on new construction projects, builders, and developers, in both residential and commercial applications throughout New Hampshire, Southern Maine & North Shore Massachusetts.

While spending most of his professional career in non-profit fundraising and development positions, which proved to be very rewarding, Jeff states, "While I was working in this sector, I was fortunate to work with many caring and philanthropic business people and individuals like the Proulx's. Working for a family owned and operated business like Proulx Oil &

Propane, who believes in supporting local communities is the best of both worlds."

Jeff has been around construction his whole life and several times over his career he has taken a break to work in the carpentry field. "We are fortunate to be working with Jeff on our team. I have known Jeff personally and professionally for over 45 years and he has a wealth of experience along with a work ethic that is valuable to our company." said Jim Proulx, President/CEO.
