Highlights from our **SNHHBRA Annual Silent Auction Holiday Social & Toy Drive**

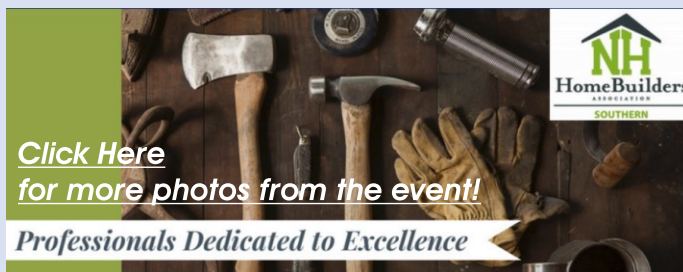

Thank you to everyone who participated as a sponsor, volunteer or holiday reveler! It was great to be back at the Atkinson Country Club, the perfect location for our group to gather and enjoy the season's festivities!

This event continues to be our largest event of the year, bringing Southern NH's finest building professionals together to celebrate and support our local association and community.

After a couple of years off, we brought back the always popular HEADS OR TAILS game and our Lottery Board raffle added to the FUN!

The generosity of our building community never ceases to amaze us!

Our financial goal was met and the Toys for Tots table overflowed with toys for NH kids in need.

MEMBER SPOTLIGHT BlueLion, LLC

BlueLion is a women-owned and operated HR consulting company. They know that HR can be time-consuming and at times mind-numbing, but with our authentic approach, we are able to provide companies with much-needed support to remain compliant all while making it a little fun. BlueLion provides complete outsourced HR support in a way that fits your business and your culture. They work with you as an extension of your own team.

BlueLion was founded by Toni Runci and Alison Milioto. After years of successful work in the field together, Toni and Alison recognized a need for small businesses to have more customized HR support. They believe in supporting their clients, as well as the greater community around them. They pledge 1% of our services, profit, and time to their community to stay integrated with those that help make our environment a better place.

On site HR, HR trainings, Employee HR hotline, Employee handbook, Safety Guide, and HR gap coverage are some of the solutions they offer. They aim to give companies more time back in their day, reduce liability, employee retention, and much more.
